

Practice teaching assistant

Practice teaching assistant

The information is valid for both the full-time mode of study and for part-time/combined mode of study.

The practice of the pedagogical-psychological module consists of several subjects which bachelor students in the program for Education (it means except students of Primary Pedagogy, Social Pedagogy, Economic Policy and students of single-subject studies in Special Education) must enrol in.

During the bachelor's study, the student enrolls in three assistantships in a total of 180 hours. The selection of practices is as follows:

SELECTIVE COURSES

In the 3rd and 4th semester, the student enrolls only in one of the subjects of assistantship:

- **Practice Teaching Assistant – Assisting** (full-time mode of study: SZ6655, SZ6685; part-time mode of study: SZ6636, SZ6688) – more information see below,
- **Practice Teaching Assistant – Tutoring** (full-time mode of study: SZ6607, SZ6686; part-time mode of study: SZ6632; SZ6687) – more information see on Department of Social Education.

Together with the internship, the student enrolls in the course **Self-experience Preparation for the Profession I** (SZ6608; part-time mode of study: SZ6633) and in the next semester **Self-experience Preparation for the Profession II** (SZ6611; part-time mode of study: SZ6637)

In the 5th semester, all students enrol in:

- **Practice Teaching Assistant – Assisting 3** (SZ6684; part-time mode of study: SZ6689).
